Re: Parole of PF Lazor (C-73842)

To Whom It May Concern:

This letter is to entreat the State of California Board of Prison Terms to grant PF Lazor pardon or parole for his alleged "crime" of self-defense. Which of us would not try to defend ourselves and/or our families against a violent attack?

PF, while on bail awaiting his trial for eight months, made every court date set. He was not a violent man while free nor violent while incarcerated. He is an educated man with many natural talents who would be an asset to his community.

Many California prisoners convicted of first degree murder are now free. Why not PF who only defended himself against certain death?

Please, balance justice with mercy by allowing PF his freedom.

Sincerely,

*Al and Jeanne Reed*
