To Whom It may Concern:

I, Betty Brandon, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor.

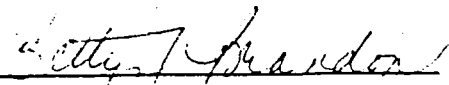

I currently reside at 46023 Amesbury Drive, Plymouth, Michigan, and have lived here for about eight years. I have three sons and have primarily chosen to be a homemaker and full-time mother since 1977 when my eldest son was born.

PF Lazor is my brother. He has always been a very kind, caring, ambitious person. PF always was tenderhearted and I never knew him to harm another living soul. Yet he was always strong in character, probably the most dedicated man I have ever known. He always stood by his principles.

In my heart, I know beyond a shadow of a doubt that my brother PF is incapable of any violent act. He is only capable of our own human need of self-protection and self-preservation.

I was willing to testify on PF's behalf at his trial in 1983, but I was never called. I would be willing to testify for PF now or at any time in the future.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
