

ONLONE COLLEGE
Financial Aid Recommendation

Date 6-10-76

Letter of Recommendation for: PF Lazor

My husband and I have known PF for a few years and we both feel that he has great potential to succeed in whatever endeavors he decides to persue. He is blessed with dedica-tion and sincerity no matter how difficult the situation may be. If there is something he wants to do, his ambition carries him on. We have found him to be more mature than most of his counterparts. He is level headed and able to cope. The reason PF moved to CA. was because he felt there was a better opportunity for him to learn and grow with his decisions. If there are any specifics to be answered, feel free to contact us.
