To Whom It May Concern,

I have personally known PF Lazor for approximately 12 years. I have always thought of him as a tender, caring, considerate person. He gives a feeling of gentleness straight from the heart. Sometimes there has been long periods of time passing between our encounters but I always receive the same feelings of tenderness from him in whatever situation we may meet. He enjoys life as is evidenced by the many endeavors he has experienced over the years.

Sincerely,

*Gloria Teeter*
