AFFIDAVIT OF GLORIA TEETER

I, GLORIA TEETER, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

1. My name is Gloria Teeter, 571 Randolph St., Northville, MI., 48167, (313) 349-7509. I have been self-employed since January, 1973. My husband (John) is President and I am Vice-President of Traditional Handcrafts, which is a retail business engaged in the selling of spinning and weaving supplies, books, and equipment. I have also been teaching spinning and weaving classes and workshops since 1973. We have resided in Northville since November, 1970. I have been actively involved in various community organizations ie: Historical Society, Mill Race Weavers Guild, Northville Arts Commission, Northville Chamber of Commerce, Northville Merchants Association. I have 2 adult children and 3 grandchildren.

2. I have known PF Lazor since at least 1972. I became his friend after being introduced through my sister-in-law (Jan Teeter, now deceased).

3. In all the years I have known PF Lazor, I have thought of him as a kind, caring person. He never expressed any extraordinary contempt or ill-feelings toward anyone that I was aware of. He always dealt with life in a very positive way. In my estimation, PF Lazor is a creative ambitious person who enjoys life and living.

4. Based on his occupations, he enjoys working with and being with people.

5. I was not asked to testify at PF's trial in 1983, but if I had been, the travel expenses plus the fact that I would have to close my store would have been a consideration.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
