To whom it may concern:

I have known Mr. P.F. Lazor for the past 4 years. During that time we have shared times of business, church and social activities. On all accounts, he has shown great care for all that he comes in contact with. He brings joy to people with his entertainment talents, shares his love with all by showing concern in any of your personal problems and trying to help you. But above all, his love for life is one of the highest qualities that he has. To take a life is the most serious crime man can make. But to protect yourself from someone trying to take your life is a natural instinct. To have a half crazed man threatening your life with a gun and kicking down your door brandishing a handgun... Well I ask you, what would you have done? I hope you keep this in mind when you make any decisions concerning P.F. Lazor's future. Thank you.

Respectfully
