

AFFIDAVIT OF GORDON RUPP

I, Gordon Rupp, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

1. Gordon Rupp 1482 Jupiter Ct. Milpitas, Ca. 95035-5808  
I am currently the service manager for Tri-Valley Electric in Pleasanton California. In the past I worked 5 years for the Union City Police Department and am currently with San Jose Search and Rescue. I have lived in the bay area for 34 years.
2. I have known PF Lazor for 7 years. I first met him as a member of good standing of a local church in Fremont Ca. PF was an active entertainer in the bay area and enjoyed bringing joy to the hearts of others through his music and personal friendship. I personally saw PF interact with children, young adults and adults with an attitude of love and caring. PF was also a very good businessman. On one occasion he had me look at a business venture that he was looking at. I was impressed with the research that he put into it and we discussed it at great length. All in all I feel that PF is a very loving, responsible man. If I were a person in need of personal assistance where I could not help myself, I would have complete faith in PF Lazor and his decisions whatever they may be to help me or any one of my family in time of need.
3. I would have been willing if I had been called to testify as a character witness at PF's trial in 1983.
