

Sept. 23, 1983

To whom it may concern:

It's hard for me to express how we feel about P.F. Lazor.

We've known him over 6 years, he was all ways the unusual person that was extremely careful about his diet, and as far as we know he never drank any kind of alcohol - but, rather was very serious about his life, health and others around him.

For him to have taken anothers life would tell me he must have been threatened to the point, he felt his life were in jeopardy.

I've never known him to say an unkind word; to commit an unkind action is hard for us to imagine.

We know for a fact, he spent a lot of time with elderly people, no matter how busy P.F. was he had time for his friends.

In our opinion he's extremely bright (has written several books), talented, sensitive, kind and deserves every consideration; it would be a loss to us all if he were incarcerated.

Sincerely,

Irene Vincent - Perez
