Mr. James W. Nielsen
Chairman
Board of Prison Terms
428 "J" Street, Sixth Floor
Sacramento, CA 95814

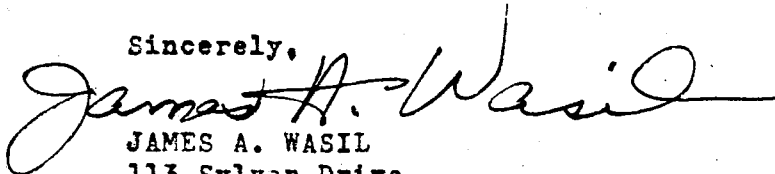

Dear Mr. Nielsen:

This letter is inreference to PF Lazor who has been incarcerated for a number of years now. If anyone is eligible for parol, he certainly is.

I know his family and feel that this man, who has continuously stated that he is not guilty of the crime ascribed to him, is long overdue for his release. Certainly, humanity and one's good conscience pleads for an end to PF Lazor's torment!

I add my name the many friends and relatives who have petitioned for the release of this man. I pray you and the Board will do so in the near future.

Sincerely,

JAMES A. WASIL
