To Whom It May Concern:

I, Loretta J. Cergol, declare the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

My name is Loretta J. Cergol, and have been married to my husband, Rudy for 30 years. I have raised 5 children and am presently in the process of adopting a 4 year old. I have been employed by my present employer of 7 years as a para-professional in the medical field. My current title is office manager, certified medical assistant. I have lived in Salem Township, Northville, Michigan for 17 years, during which time I taught Sunday school and did volunteer work at the elementary school.

I have known PF Lazor since 1972 when we moved next door to his family. My association with PF was not just as a neighbor. We worked together forming the Salem Historical Society in 1975. He was dedicated to the research and was dependable when projects needed to be completed. He donated time with the elementary school in the township, when I was the chairperson of a carnival. At that time PF had a soft-serve ice cream business. We were only charged his cost of the ice cream. His time was donated and any profits were given to the carnival, helping make the fund raiser the best in the history of the school.

For the length of time I have known PF his good-reputation in the community has never been questioned. He has always given me the impression that he is a very gentle, caring person who has used his God-given talents (music, art, poetry) to give others pleasure.

I would have, if called, been willing to give character reference for PF in 1983.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
