To Whom It May Concern:

I am writing to you about P.F. Lazor. He is a very gracious, sensitive individual and in my opinion, very intelligent. I see hundreds and thousands of patients every year and have an extensive background in evaluating people. I would not hesitate for one moment to be a character witness for him.

It would be a shame to incarcerate someone who is as sensitive as P.F. Lazor. A more viable solution would be for him to spend time in the Peace Corps. Without a doubt, P.F. is not a criminal type or a hazard to society.

Sincerely,

Michael E. Northcutt, D.D.S.
