

AFFIDAVIT OF MARIE STIPECH

I, MARIE STIPECH, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

1. My name is Marie Stipech, and my address is 9810 Dixon Drive, Reno, Nevada 89511. I am the mother of six children and grandmother of eight. I have been a resident of the Reno community for over 30 years.

2. I have known PF all his life. He is my nephew, my brother's son, and through the years I have had much contact with him, as we are a close family.

3. As a child, a growing young man, and an adult, PF has always been a peace-loving person and has consistently maintained high moral and ethical standards in his personal life. Having a great deal of kindness and concern for others, PF was always willing to help those less fortunate than he. PF has continued to abide by strong religious beliefs and to conduct his life according to the Biblical principles with which he was raised.

4. PF maintained a close relationship with several of my children (his cousins) who lived in California when PF lived in the Bay Area. Specifically, Frank Jr. lived in the San Jose and San Francisco areas and saw PF often. My daughter, Kathy, lived with her family in the San Francisco area briefly, and saw a great deal of PF during that time. Michael, now in Sacramento, lived with his family in the San Jose area when PF was in Hayward. Jim and his wife have been in Southern California for many years, where PF visited them occasionally. And, of course, PF has been to our home in Reno frequently to visit with the family. PF is dear to us, and we want to assist him in any way we can.

5. I would be willing to testify as to PF and his character, and I was likewise willing to so testify on PF's behalf in 1983.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
