

AFFIDAVIT OF TONY LOURENCO

To Whom It May Concern:

My name is Tony Lourenco. I live at 2703 Chinook Ct., Union City, California. I am the manager of Andersen's Music Store, and have been for the last 5 years.

I have known PF Lazor since March, 1979. We played in a '50's' rock and roll band from March 1979 until about May, 1982. During that time that I was associated with him, PF was very responsible in taking care of all of the band's business matters. One time when the band did a show, we had a problem getting paid for the job. PF took money out of his own pocket to pay the band members.

I have seen PF maintain self-control in certain situations where others might not.

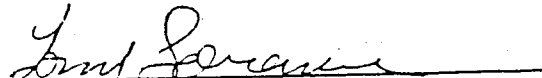

PF was also very much against drugs during the time I spent with him. He always stayed away from people he thought might be using drugs.

I truly believe that PF would not be a threat to society.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
