AFFIDAVIT OF WILLIAM PADELDFORD

I, William Padelford, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

19926070

My name is William Padelford, and I reside in Bradenton, Florida, where I have been a practicing attorney for six years. I had the pleasure of growing up with PF in a small midwestern town during the 1960's and 1970's. In both school and in the community, PF displayed the quality character traits of honesty, patience, and a passive disposition. I can recall several instances when PF endured, without retribution, the chiding of our schoolmates when a person not possessing the non-violent disposition of PF would have angrily responded. I can also remember the strength of PF's opposition to the violence of the Vietnam War. As I conduct my busy law practice, I only hope that I maintain the even keel that I saw displayed by PF during our youth. Finally, let me conclude by stating that I would have been more than willing to testify as a character witness at PF's 1983 trial, had I been called to do so.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
