

"ANNIHILATION GENERATION"

12-10-14
(#93)

1. Just to think they're always on the brink
of wishing for destruction.
Their perception ruled by deception
so they can't quite get it clear.
Their very way of life, is one long day of strife
'cause they won't trust the instruction *
In the back of their minds
always hoping annihilation's near.

HOOK: IT'S OUR OWN ANNIHILATION GENERATION.
ANNIHILATION GENERATION.

[16 BAR TURNAROUND]

2. It's the generation that generates
inverted anti-production.
It was prophesied that the long downslide
would bring us here.
They even strive so hard to reproduce
their own reduction
Living in a mental world of
plastic reality and hidden fear.

[REPEAT HOOK]

3. The most pristine, refined and exquisite
of everything remaining,
the finest art and beauty
saved by blood century upon century.
Now buried 'neath the boots that carried
in the new spin of sin, reigning
on the throne of being their own
covert worst enemy.

[REPEAT HOOK]

4. Would they like to see the whole world blown away
and burning for eternity ?
Or supplanted with the euphoric-phantasmagoric world
they've been given ?
Once the fuse is lit, the world's throat is slit
and they realize their own demise was the fee
— only death bought, death wrought, death brought, death sought
for all that had been livin'.

[REPEAT HOOK]

5. **[REPEAT VERSE 1, FADE IN OVERLAPPING HOOK;**
FADEOUT ON HOOK REPEATED IN A VAMP]
