

1. Distant trains and soft rains  
and nights without end;  
Remind us of the love of me & you.  
Cherished times in soft rhymes  
by the crackling of a fire—  
Our memories that never came true.

REFRAIN

Will we ever crack the secrets  
and the mysteries of this life?  
Will we ever be together again...

2. Cool breeze through pine trees'  
snow sparkling in the sun;  
Reminds me of the lovely dreams of you.  
Meadows where the grain grows,  
when spring would finally come—  
Reminiscence of the innocence we knew.

What's the meaning? What's the answer?  
—if we can't have each other?  
Could our purpose be as fleeting as the wind...

3. Days alone, the wilted-windblown  
flowers upon the hills;  
And the heart-thrills of new love with you. [She was always you].  
Day moon, clear through June;  
time stood forever still—  
Frost blankets now, transforming from dew.

Can we look back from the future, now,  
and change our present pain?  
Cherished times of you I'll live for till the end...

4. Hint of showers, billowing towers  
pasted in the skies.  
I reach to touch the ceiling of blue.  
They fade like Autumn shade,  
the ever-changing forms of life.  
The poignancy rushes through me.....and you. [Always you].
