

## DESTINY

1989

1. I know, I always knew you  
Long ago, before I met you.  
I'm in love with you so deep  
that just to think of holding you makes me tremble  
and moves me to weep.  
From the beginning you were made for me  
Let's now fulfill our destiny.
2. Every woman I sought before you  
Was just me trying to find and have you.  
Your love is everything's only meaning  
and without you girl, I've come to realize  
I have less than nothing.  
From the beginning you were part of me  
Let's now fulfill our destiny.

**BRIDGE:** There's no power on this Earth  
could stop this love's existing,  
not chains or bars or distance  
— we were born to be together.  
There's no way to stop this birth,  
as it's destiny insisting,  
we were born at its insistence  
to join our lives together ... Forever.

3. Come now, to me and love me  
Trust me in your arms forever.  
Trust me with all your life and soul;  
you are half of me, girl, take my whole life,  
it's you who makes it whole.  
From the beginning you were made for me  
Let's now fulfill our destiny.
4. I want you, woman, forever  
Be my wife and give me children.  
I'll never betray, not even stray  
You are my joy, my life, my heart, the greatest part  
of the real man I am.  
From the beginning it was you & me  
Let's now fulfill this destiny.

**[REPEAT BRIDGE]**

5. I need you, oh my sweet lady  
Would you bear and love our children?  
Would you take me just the way I am?  
—and whatever I am to become  
as I'm born with you again,  
and again, and again, and again.  
From the beginning you were born for me  
Let's now fulfill our destiny.

**TAG:** From the beginning it was meant to be  
We must now fulfill our destiny.
