

## **LIONESS WALKING**

7-18-15  
(#56)

### **HOOK/**

**REFRAIN:**     **Lioness walking, stalking for a mate  
be cunning — even start running ! — before she seals your fate !  
(before it's too late) \***

- 1. Lion on the prowl; think you're the king  
But to her your growl, doesn't even have a sting.**

**[REPEAT HOOK]**

- 2. She's been designed to lure you into her net  
And we're not the kind to have figured her out yet.**

**[REPEAT HOOK]**

- 3. You'll never know what hit you till she got you and it's too late  
Better had you never let her spot you — run ! or you're done ! — don't hesitate.**

**[REPEAT HOOK]**

- 4. Oh, but her honey tastes just soooo divine  
Just the right stuff, good enough, to even tame a lion.**

**[REPEAT HOOK]**

- 5. Didn't even know what hit you, didn't even care  
Once her mighty potion lit you, bit you, caught you in her snare.**

**[REPEAT HOOK, REPEATEDLY INTO FADEOUT]**

**[END]**

\* This line: deep macho vocal sound and like  
a lion's roar
