(#23)

HOOK: **RANDOM VIOLENCE! No co-incidence.
RANDOM VIOLENCE! Kills in-nocence.**

HIT SONG

1. Every day more bullets fly . . .
— You shrug, the masses sigh;
we've all become desensitized,
nothing moves us and nothing satisfies . . . but
 **RANDOM VIOLENCE! It's no coincidence.
 RANDOM VIOLENCE! Slaughtered innocence.**

2. Television and movie scenes,
trains for violence by any means;
they see millions slaughtered before their teens,
can't separate the real from their dreams . . . of
 **RANDOM VIOLENCE! At what expense ?
 RANDOM VIOLENCE! No re-pentance.**

3. They can't think and they can't feel,
that part of their heart turned to steel;
life a celluloid spinning reel,
and death, the cheapest commodity they deal . . . in
 **RANDOM VIOLENCE! With no conscience.
 GRAPHIC VIOLENCE! It makes no sense.**

BRIDGE: **Could anyone with a thinking mind really be surprised ?
The prophets & the sages warned of this conscience —
crisis of our times.
When your senses are flooded with maim and murder,
since an infant, as a casual, everyday thing
what result of insensitivity to senseless death
did you think that would logically bring ?
. . . The twinge of moral conscience, compassion and remorse
has forever lost its meaning and its sting . . .
Leaving only:**

**RANDOM VIOLENCE! It's no coincidence.
RANDOM VIOLENCE! No way for recompense.**

4. Children taught before they can read
their brothers and sisters are a violent breed,
with hard regard, a natural enemy,
is it any wonder, if all they can see . . . is
 RANDOM VIOLENCE! That makes no sense.
 RANDOM VIOLENCE! With no repentance.

5. They carry their piece concealed at school
There they learned the number-one rule:
Get them before they first get you,
and blame others for the acts that they themselves do . . . of
 RANDOM VIOLENCE! No one relents.
 SENSELESS VIOLENCE! At what expense ?

6. While the media disclaims their part,
justifying graphic violence as an art,
their children's hopes are shot through the heart
of their future freedoms all ripped apart . . . from
 GRAPHIC VIOLENCE! Kills their innocence.
 RANDOM VIOLENCE! Tragically intense.

RANDOM VIOLENCE! Their whole experience . . .
RANDOM VIOLENCE! No one repents . . .
