

REMEMBER TO BRING ME YOUR LOVE

3-29-15 (1)
(#25)

1. **I saw you last night in a dream again
and the meaning was wet with your dew.
I'll never be the same from what happened to us then
however hard I try I can't forget you.
How I long for you now to fly into my arms
with the softness and warmth of a dove
Come empty-handed but not empty-hearted
and remember to bring me your love.**

2. **For you, I'd trade every dream I ever had
filled with purpose, wonder and power.
I want you, I want to please you that bad
the craving never leaves me for an hour.
So I long for you now to fly into my heart
with the warmth and softness of a dove
Come empty-handed but not empty-hearted
and remember to bring me your love.**

3. **I can weather any storm of life that ravages me;
even live without love — (until now).
Through betrayal and heartbreak that still savages me
soul-deep, but I get through it somehow.
How I yearn for you, woman, to fly into my heart
with the softness and warmth of a dove
Come empty-handed but not empty-hearted
and remember to bring me your love.**

[INSTRUMENTAL, AS DESIRED]

4. **If you don't want me, I want you, I want you, want me
just the thought drives me out of my mind !
Your scent and your taste never left my memory
to not know, you'd have to be blind.
I want you so much to fly into my arms
with the warmth and softness of a dove
Come empty-handed but not empty-hearted
and remember to bring me your love.**
