

## YOU ARE LIGHT

8-28-93  
(#14)

1. For we were once in darkness  
but now we live in light,  
we're sustained by Yahweh's mercy and might.  
We're the children of his light  
pleasing him by doing right  
our fruit is truth and goodness and love.

**REFRAIN:** You are light of YHWH, you are light for Yahweh,  
so live your life as bearers of that light.  
You are hearers of His Word  
changed in heart by what you've heard,  
so go and show his message to the world.

2. Be filled with Holy Spirit  
and do not be deceived,  
lest the adversary take what you've believed.  
We believe that it's true  
our Messiah died for me and you  
in doing so he gave us power and life.

3. Wake up, wake up, oh sleeping ones  
as if raised from the grave,  
you can freely have the gift our father gave.  
He has given his own Son  
to die for you – his precious one,  
so you could live forever with him.

**[REPEAT REFRAIN]**

4. Speak psalms to one another  
sing hymns and spiritual songs,  
let his righteousness protect you from all wrongs.  
Stir the music in your heart  
thank Him for setting you apart,  
giving praise in the name of Yahweh.
